

1974-068

IN THE COUNTY COURT OF THE STATE OF OREGON FOR UNION COUNTY

IN THE MATTER OF THE

VACATION OF A PORTION

ORDER OF ROAD VACATION

OF WHISKEY CREEK ROAD

NO. 300

On this day this matter came on for hearing in the Court in session pursuant to ORS 368.570 and ORS 368.580 did consider the matter of the vacation of that portion of Whiskey Creek Road, No. 300, more particularly described as

Commencing at a point on the East Line of section 23 township 3 South Range 37 East WM. From said point running thence westerly across section 23 and section 22 and terminating at junction at Elk Flat Road at approximate NE corner of NW 1/4 SW 1/4 of Section 21 Township 3 South Range 37 East, as the same appears on the attached Exhibit A.

FINDINGS OF FACT

The County Court finds that the said County road is burdensome to maintain, is not needed as a part of the County road system, and has not been used as a part of said County road system for many years; and further finds that the landowners immediately adjacent to the road desire to have the road vacated.

The Court further finds that Boise Cascade Corporation is or may be dependent upon a portion of this road for access to remove timber from the area. However, Boise Cascade Corporation is currently negotiating with the landowners for easement rights across the property.

The Court further finds that no other person or persons residing on the County road and depending thereon for access will be adversely affected by its closure.

O R D E R

IT IS HEREBY ORDERED that the portion of Whiskey Creek Road, No. 300, as above described, be vacated pursuant to the map attached hereto and marked Exhibit A. It is further ordered that this road vacation be effective sixty (60) days from the date of this hearing.

DATED at La Grande, Oregon, this 21st day of August, 1974, nunc pro tunc 18th June, 1974.
