Whereupon the following proceedings were had, to-wit:

In the matter of the application
of Tho. A. Barton for a Liquor
License in Cove Precinct }

Now at this time this matter comes on for further hearing, said parties appearing as on yesterday, and now comes the Petitioner and files an Affidavit and motion as a further showing why those signing the petition are estopped from remonstrating against it, and the Court having duly considered all of said motions and the various matters connected therewith, and being fully advised in the premises It is ordered and adjudged by the Court that the motions made by said Petitioner and each and every one of them be and the same are hereby denied and overruled, and the motion made by said Remonstrators be and the same is hereby granted and sustained. Whereupon the Court having duly examined said petition as amended by said motions finds as a fact that the said petition does not contain and is not signed by a majority of the legal voters of said Cove Precinct as required by law. Wherefore it is considered ordered and adjudged by the Court that the prayer of said petition be and the same is hereby denied and said petition dismissed. And it is further ordered that the Petitioner Tho. A. Barton pay the costs and expenses of this proceeding to be taxed.

Fifth Judicial Day

Tuesday December 2nd 1889

Spring Gulch and Emigrant Gulch at the Eagle and Pine Valley Road in Sec 18 S. 9. S. Range 46 E. W. 11 running in a North Easterly direction on the most practicable route to the mouth of right hand prong of Emigrant Gulch thence up said Gulch about 40 rods above Horse Lick Grove to a stake thence in a north easterly direction about 1/2 mile thence the most practicable route to intersect the Eagle & Pine Valley road near what is called the Old Shed. And it appearing to the Court that said petition is signed by more than twelve householders of this County residing in the vicinity of said proposed road and that said petition properly specifies the place of beginning intermediate points and place of termination of said road, and it satisfactorily appearing to the Court that notice has been given by advertisement posted at the place of holding County Court Court: at the Court House in Union County of Union State of Oregon and also in three public places in the vicinity of said proposed road to-wit: one on a stake at the commencement, one on a stake about 40 rods above Horse Lick Grove in Emigrant Gulch and one on the Eagle & Pine Valley Road near Old Shed for more than thirty days immediately prior to the presentation of said petition to this Court notifying all persons concerned that application would be made to this Court at the present session of this Court; and that the notices so posted were in due form and duly signed by the petitioners and that a bond for the cost of this proceeding has been duly given It is therefore ordered that Robert Gibson J. B. Jewell and John Bennhoff be appointed Viewers of said Road and that J. M. Kimbrell be appointed Surveyor of said road and that they meet at the house of J. M. Bennhoff on the 21st day of December 1889 at the hour of 10 o'clock A.M. and after qualifying to view survey and lay out said road according to law.

In the matter of the proposed
County Road petitioned for }
by B. F. Jewell and others }

Now at this time this matter comes on for hearing upon the reports of the Viewers and Surveyor heretofore appointed herein and said reports being now here read for the first time It is ordered by the Court that they be laid over for a second reading on a subsequent day of this term as provided by law.

Whereupon it is ordered that Court do now adjourn until tomorrow morning at 9 o'clock.

Second Judicial Day

Thursday Jan 9th 1890

we beg leave to report that on the 18 day of Nov 1889, we, after being duly sworn to discharge our duty faithfully and impartially proceeded to view said proposed road the whole distance through the premises of F. S. Ladd Complainant, and to assess and determine how much less valuable said premises of said Complainant would be rendered by the opening of said road, and we find that the premises of said Complainant F. S. Ladd would be rendered \$100⁰⁰ less valuable by the laying out and establishment of said proposed road as a public highway of said County, and recommend that One Hundred Dollars be paid to said Complainant before laying out and establishing said road as a public highway.

John Graham Jr
W. W. Gordon } Appraisers
J. D. Guild }

And said report appearing regular in all things is approved by the Court; and said road being of great public utility and one of the most important thoroughfares of the County, the Court deems itself thoroughly warranted in paying said damages out of the County treasury. It is therefore considered and ordered by the Court that said amount of \$100⁰⁰ so appraised and allowed by the Appraisers be paid out of the County treasury and the Clerk is ordered to issue a warrant on the Treasurer for the same.
