on county road North of Island City.

To the Honorable County Court
of Marion County Oregon

We the views appointed to view out
and locate a Road commencing
at Cro Dell and running East to
intersect the County Road running
North from Island City through
see 34 LSR 38 E, respectfully submit
the following

We failed to make said view and
location on the day set in the
order by the Court but on the fourth
day thereafter, March 26th 1875,
we met only two views being
present, and we Company with
the County Surveyor first being
duly sworn, proceeded to view
survey and lay out said road
as directed by your order
locating the same as appears by
the Field Notes of the Co Surveyor
submitted herewith

We find the road to be located on
good ground except some bays
that need filling up, but plenty of
gravel handy for their purpose.
And as there is no Road connecting
Cro Dell and Island City, We would
recommend the establishment of
this Road by your Honorable Body.
It being nearly on a direct line
between the two points named
and in our opinion on the
best ground for this purpose.
