

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

Index File No. A-3

History of original corner establishment:

Record of the original survey by Jacob C. Cooper, Contract No. 397, 1881, states:

Set post, 3 1/2 ft. long, 3 ins. square, 1 1/2 ft. in the ground, marked 1/4 S on N and S faces, for 1/4 sec. cor. on east hillside, 15 ft. above dry branch in heavy timber, from which:

A Tamarack 26 ins. diam. bears N2°W 10 lks. dist. marked 1/4 S BT,

A Fir, 12 ins. diam. bears S32°E 43 lks. dist., marked 1/4 S BT.

Description of corner evidence found:

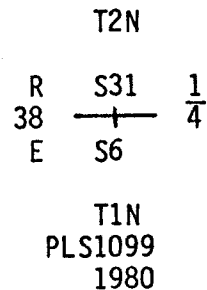

No trace remains of the original corner post. We establish the True Corner Point in the following relationship to the original bearing trees:

An orig. 26" Tamarack, now down and badly rotted, with scribing "1/4 S BT" visible on an unhealed double blaze, bears N2°W 6.6 ft.,

And an orig. 12" Fir, now a 34" Grand Fir, alive and in good condition, no markings visible, bears S27°E 28.3 ft.

Description of monument and accessories I established to perpetuate the original location of this corner:

At the True Corner Point, we set a 2"x30" Galvanized Iron Pipe, 27" in the ground on a slight East hillside, with brass cap attached, marked:

From which we mark new BT's:

A 12" Grand Fir, scribed "1/4 S31 BT" on a double blaze bears N 82 1/2°W 15.6 ft., and a 10" Douglas Fir, scribed "1/4 S6 BT" on a double blaze bears S29°W 17.1 ft.

Attached brass washer stamped "LS 1099" to lower blaze of new BT's.

Placed steel fencepost 5 ft. East of monument with signs 54-2 and 54-4 attached.

Attached signs and painted BT's per Standard Specifications for Cadastral Survey, U.S.F.S. Region 6, Oct. 1979.

Compass Declination: 20°E

I hereby certify the above corner monument was established as herein described on Sept. 29, 1980.

Witness: John Curtiss
