

SURVEYOR'S STATEMENT

The point of beginning of this tract calls for 10 chains (660)ft. north of the nw. corner of the se. 1/4 of section 32. However the north line of the SE. 1/4 of SW 1/4 of NE 1/4 of section 32 was located by survey # 15-69, the surveyor doesn't say how. Therefore due to other deed calls and the harmonious fit I accepted this position as the south line of Williams property. The call to center of section, as located by survey # 61-73 is only 652.40 ft.
