**SURVEY NARRATIVE**

This survey was performed at the request of Mr. R.L. Roberts, Director of Real Estate Operations for Upland Industries Corporation. The purpose of the survey is to identify a parcel of land which is the subject of a future acquisition and boundary line adjustment by Fleetwood Travel Trailers of Oregon, Inc.

The basis for location of this parcel are the monuments found as established by Surveys 77-80 and 12-81. The monuments found occupy the record positions as shown on the referenced surveys and were utilized as indicated to determine the required positions.

The monument set by Hanley Engineering (Survey No. 77-80) 2898.7' Southerly and 30' Westerly from the NE corner of Section 35 was searched for and found to have been destroyed by recent construction activities.
