Oregon Department of Forestry-Northeast Oregon District fire officials would like to remind people heading out to enjoy all the recreational activities the region has to offer, that there are still fire restrictions in effect for lands protected by the ODF. Fire conditions remain extreme across the district.

The fire season restrictions and Regulated Use Closure will still be in effect. In addition, a fire watch is required at least one hour following the use of each saw.
- Smoking is prohibited while traveling, except in vehicles on improved roads, in boats on the water, or at a cleared area.
