

**Upper Grande Ronde River Watershed Partnership  
Place-Based Integrated Water Resources Planning  
Water Supply Technical Committee Meeting No. 6  
County Planning Office: 1001 4th Street (Misener Conference Room)  
June 6, 2017  
9:00 a.m. to 11:00 a.m.**

**I. Welcome and Administration**

- a. Introductions and meeting overview
- b. Recap of the Bend water planning conference **(5 minutes)**
  - i. We are way ahead but need to work to keep it that way - great job!
  - ii. Using group expertise
    - 1. Ideas for mini-presentation topics (non-stationarity, fisheries, irrigation, success project to start meeting, technology and conservation, economics, municipal water)
  - iii. Potentially have an agricultural presenter to kick off Step 3 (discuss water use, conservation, farming and ranching information [Tom Demianew, SWCD, Jed Hassinger, Mike Burton, Darrin Walenta, Jeff Oveson])
  - iv. "Visioning" - why is water in Upper Grande Ronde important to you? (80-20 rule)
  - v. Other concepts: field trips, food, speakers, pre-loaded data to groups, Step 3 kickoff
  - vi. Any other information from the meeting to share?
- c. Recap of the April 12th stakeholder meeting **(10 minutes)**
  - i. Good feedback from stakeholders on breakout session
  - ii. Confusion and request for more/different information about some of the data presented.
  - iii. Many comments and suggestions (to be discussed below)
  - iv. Overview of external feedback from Greg Wolf (Association of Oregon Counties)
  - v. Any other feedback from the meeting?

**II. Group Updates**

- a. Strategies to address group comments from last meeting
- b. Non-stationarity literature review
  - i. Mini-presentation at the next stakeholder meeting?
- c. Other updates

**III. Step 2 Report Framework**

- a. Report constructed from work from technical meetings (review outline, assign tasks)
- b. Report layout (technical looking or coffee table book)
- c. Presentation and review process with larger group

**IV. June 21, 2017, Stakeholder Meeting Presentation (30 minutes)**

- a. Draft Agenda review
- b. Presentation strategies for new information
- c. Arrive at 4 p.m. to prepare for/organize interactive centers

## V. Conclusion

- a. Action Items
  - i. Work on report sections
- b. Potential Next meeting dates
  - i. Possibly July 6th (technical committee)
  - ii. Possibly July 26th stakeholder meeting ( wrap up Step 2, begin Step 3)
