

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner was established by Rufus S. Moore, US Deputy Surveyor, during the original survey Contract No. 451 dated June, 1882.

Set a basalt stone 24x12x12 ins. 18 ins in ground for 1/4 sec. cor. marked 1/4 on W face and raised mound of stone alongside. Pits impractical.

File No.	<u>187-89 R</u>

Description of monument and accessories I established to perpetuate the original location of this corner:

Set a 2"x30" aluminum pipe with a 2 1/2" aluminum cap, marked as shown in the diagram, 14" in the ground to solid rock, replacing the rock which is turned upside down and buried on the north side of the monument. Built a mound of rock to be 36" in diameter by 16" high around the monument, from which a new BT is:

16" Ponderosa pine bears S6° 45'W, 228.5 feet scribed 1/4 S17 BT

A rock outcrop bears S28° 30'E, 149.5 feet to the face of rock toward the corner with a chiseled "X" and "80".

Attached BT and Land Survey Monument signs to and painted a red band around each BT. Bearings were turned from the control traverse with a theodolite, basis of bearing being the bearing between the SE and S quarter corners of Section 7 as shown on MOS 43-76, to stamped brass washers nailed in the scribed red-painted blazes. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground. Set steel fence posts 5 feet N and 5 feet S of the corner on the National Forest boundary lines. Attached Forest Boundary signs to each post and a Land Survey Monument sign to the N post.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on July 17, 1989, I monumented the corner as herein described.
