

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner was established by Rufus S. Moore, US Deputy Surveyor, during the original survey Contract No. 451 dated June, 1882.

Set a post 3 ft long 3 ins square 24 ins in ground for 1/4 sec cor marked 1/4 S on W face, from which

- A pine 24 ins. diam., bears N20°E, 12 lks. dist., marked 1/4 S BT
- A pine 40 ins. diam., bears S62°N, 6 lks. dist., marked 1/4 S BT

Description of monument and accessories I established to perpetuate the original location of this corner:

Set a 2"x30" aluminum pipe with a 2 1/2" aluminum cap, marked as shown in the diagram, 18" in the ground to bedrock, at the point determined by the bearing tree stumps. Built a mound of rock & earth to be 30" in diameter by 12" high around the monument, from which new BTs are:

- 15" Ponderosa pine bears S82°E, 43.6 feet scribed 1/4 S20 BT
- 10" Ponderosa pine bears N13°E, 10.2 feet scribed 1/4 S17 BT

Attached BT and Land Survey Monument signs to and painted a red band around each BT. Bearings were turned from the control traverse with a theodolite, basis of bearing being the bearing between the SE and S quarter corners of Section 7 as shown on MOS 43-76, to stamped brass washers nailed in the scribed red-painted blazes. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground. Set a steel fence post 5 feet West of the corner with a Land Survey Monument sign attached.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on July 14, 1989, I monumented the corner as herein described.
