Local Option Tax Levy for Library

**Question** 20 words which plainly phrases the chief purpose of the measure.

Shall the City of Union increase property taxes \$1.21 per \$1,000 of assessed valuation each year for five years, beginning fiscal year 2018-2019 for continued library operations?  
Passage of this measure may cause city property tax rate to increase more than 3%.

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

The measure authorizes the City of Union to levy a property tax in the estimated total amount of \$118,465.00 each fiscal year for five years beginning with fiscal year 2018-2019. All levy taxes will be used exclusively for funding library operations. Without the proceeds from this levy, library operations may be adversely impacted. This levy, if passed, will maintain library operations and services. The estimated tax impact of this measure is an average of \$1.21 per \$1,000.00 of assessed real market value. For example, if the measure passes, the owner of a \$100,000.00 home would pay approximately \$121.00 each year for the next five fiscal years. The estimated tax cost example for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate.
