RE: Boardman to Hemingway (B2H)
Preliminary Comments on the Amended Preliminary Application for Site Certificate

Dear Ms. Tardaewether:

Attached you will find Union County's preliminary comments on application completeness for the B2H Amended Preliminary Application for Site Certificate from the Union County Planning Department, Union County Public Works and Union County Weed Control. The Union County Board of Commissioners is appreciative of the extension granted to submit these comments on related exhibits.

However, due to limitations imposed by ODOE when it reviewed the scope of work from our request to hire a contractor to assist Union County with our review of the 17,000 page application we were only left with approximately 15 days to conduct this work. Therefore, additional comments from Union County will be sent on or around October 16, 2017.

If you or Idaho Power have any questions about our comments please contact Scott Hartell, Union County Planning Director at (541) 963-1014 or shartell@union-county.org.

Sincerely,

Scott Hartell
Planning Director
