

Appendix G: RECYCLING & SOLID WASTE SURVEYS

La Grande / Union County Airport

Airport Master Plan Update

La Grande / Union County Airport Solid Waste Practices Survey

The Master Plan Update for the La Grande / Union County Airport includes a task for developing a recycling and solid waste management plan. The completion of this task requires your help in identifying the current waste generators and recycling practices. Please take a few minutes to complete the following survey and return at your earliest convenience (*return instructions at bottom of page*). Thank you.

Name/Contact for questions: _____

Phone/Email: _____

I - Waste Removal

Please indicate the following about the waste removal company:

Name of Waste Removal Company: _____

Telephone Number: _____

Contract (if applicable) Expires On: _____

Removal Schedule: Number of Times _____ Per (day/week/month)
 Day(s) of Week/Time(s) _____ .

Waste Removal Charge: \$ _____ Per (month/year)

II – Recycling Bins and Training

How many trash containers do you have at your location/business? _____

How many of these are recycling containers? (If more than one, please specify what each is for)

Do your employees (if applicable) receive any recycling related training? Yes / No

If yes please indicate the nature of the training: _____

III – Waste Sort

Using the **Waste Sort Form** on the *back of this sheet*, please provide your best estimate of the type and quantities of waste generated at your airport location/ airport business.

IV – Please provide any additional information that you would like to share regarding recycling and waste management practices:

At your earliest convenience, please return your survey via email slucas@whpacific.com or fax 503.526.0775, or in the enclosed self-addressed stamped envelope to WHPacific, Inc., 9755 SW Barnes Rd, Ste 300, Portland, OR 97225

La Grande / Union County Airport Solid Waste Practices Survey

The Master Plan Update for the La Grande / Union County Airport includes a task for developing a recycling and solid waste management plan. The completion of this task requires your help in identifying the current waste generators and recycling practices. Please take a few minutes to complete the following survey and return at your earliest convenience (**return instructions at bottom of page**). Thank you.

Name/Contact for questions: MIKE Becker

Phone/Email: 541 910 3623

I - Waste Removal

Please indicate the following about the waste removal company:

Name of Waste Removal Company: None

Telephone Number: _____

Contract (if applicable) Expires On: _____

Removal Schedule: Number of Times — Per (day/week/month)
Day(s) of Week/Time(s) —

Waste Removal Charge: \$ — Per (month/year)

II - Recycling Bins and Training

How many trash containers do you have at your location/business? 2

How many of these are recycling containers? (If more than one, please specify what each is for)
1

Do your employees (if applicable) receive any recycling related training? Yes No

If yes please indicate the nature of the training: Waste Pro criteria

III - Waste Sort

Using the **Waste Sort Form** on the back of this sheet, please provide your best estimate of the type and quantities of waste generated at your airport location/ airport business.

IV - Please provide any additional information that you would like to share regarding recycling and waste management practices:

I take the garbage from the airport hanger to the shop and Waste Pro removes it. Recycling is also taken to the shop and removed by Waste Pro.

At your earliest convenience, please return your survey via email slucas@whpacific.com or fax 503.526.0775, or in the enclosed self-addressed stamped envelope to WHPacific, Inc., 9755 SW Barnes Rd, Ste 300, Portland, OR 97225

Waste Sort Form

Type	Waste Component	"Estimated" weight of waste generated weekly (in lbs.)
Paper	High-Grade	
	Low-Grade	10 lbs mtn (6 out of 12 mths)

La Grande / Union County Airport Solid Waste Practices Survey

The Master Plan Update for the La Grande / Union County Airport includes a task for developing a recycling and solid waste management plan. The completion of this task requires your help in identifying the current waste generators and recycling practices. Please take a few minutes to complete the following survey and return at your earliest convenience (*return instructions at bottom of page*). Thank you.

Name/Contact for questions: Brian Lergh - Fed Ex

Phone/Email: 541 663 6964

I - Waste Removal

Please indicate the following about the waste removal company:

Name of Waste Removal Company: City Garbage Service

Telephone Number: 541 963 5459

Contract (if applicable) Expires On: 1 yr to month

Removal Schedule: Number of Times 2 x wk Per (day/week/month)
Day(s) of Week/Time(s) Friday

Waste Removal Charge: \$ 50.00 Per (month/year)

II - Recycling Bins and Training

How many trash containers do you have at your location/business? 1

How many of these are recycling containers? (If more than one, please specify what each is for)
0

Do your employees (if applicable) receive any recycling related training? Yes / No

If yes please indicate the nature of the training: _____

III - Waste Sort

Using the **Waste Sort Form** on the *back of this sheet*, please provide your best estimate of the type and quantities of waste generated at your airport location/ airport business.

IV - Please provide any additional information that you would like to share regarding recycling and waste management practices:

We take our cardboard and recyclables to the local drop off site.

At your earliest convenience, please return your survey via email slucas@whpacific.com or fax 503.526.0775, or in the enclosed self-addressed stamped envelope to WHPacific, Inc., 9755 SW Barnes Rd, Ste 300, Portland, OR 97225

At your earliest convenience, please return your survey via email slucas@whpacific.com or fax 503.526.0775, or in the enclosed self-addressed stamped envelope to WHPacific, Inc., 9755 SW Barnes Rd, Ste 300, Portland, OR 97225

4i La Grande / Union County Airport Solid Waste Practices Survey

The Master Plan Update for the La Grande / Union County Airport includes a task for developing a recycling and solid waste management plan. The completion of this task requires your help in identifying the current waste generators and recycling practices. Please take a few minutes to complete the following survey and return at your earliest convenience (*return instructions at bottom of page*). Thank you.

Name/Contact for questions: JAMES HOLLOWAY

Phone/Email: James Repairs @ LIVG. com

I - Waste Removal

Please indicate the following about the waste removal company:

Name of Waste Removal Company: CITY CARBORG

Telephone Number: _____

Contract (if applicable) Expires On: _____

Removal Schedule: Number of Times 1 Per (day/week/month)
Day(s) of Week/Time(s) N/A

Waste Removal Charge: \$ N/A Per (month/year)

II - Recycling Bins and Training

How many trash containers do you have at your location/business? 1

How many of these are recycling containers? (If more than one, please specify what each is for)

0

Do your employees (if applicable) receive any recycling related training? Yes / No

If yes please indicate the nature of the training: N/A

III - Waste Sort

Using the **Waste Sort Form** on the *back of this sheet*, please provide your best estimate of the type and quantities of waste generated at your airport location/ airport business.

IV - Please provide any additional information that you would like to share regarding recycling and waste management practices:

All garbage generated is hauled by myself to my personal garbage can.

At your earliest convenience, please return your survey via email slucas@whpacific.com or fax 503.526.0775, or in the enclosed self-addressed stamped envelope to WHPacific, Inc., 9755 SW Barnes Rd, Ste 300, Portland, OR 97225

La Grande / Union County Airport Solid Waste Practices Survey

The Master Plan Update for the La Grande / Union County Airport includes a task for developing a recycling and solid waste management plan. The completion of this task requires your help in identifying the current waste generators and recycling practices. Please take a few minutes to complete the following survey and return at your earliest convenience (**return instructions at bottom of page**). Thank you.

Name/Contact for questions: Shante Mayes

Phone/Email: 303 229 0004

I - Waste Removal

Please indicate the following about the waste removal company:

Name of Waste Removal Company: None

Telephone Number: N/A

Contract (if applicable) Expires On: N/A

Removal Schedule: Number of Times N/A Per (day/week/month)
Day(s) of Week/Time(s) N/A

Waste Removal Charge: \$ N/A Per (month/year)

II - Recycling Bins and Training

How many trash containers do you have at your location/business? 1

How many of these are recycling containers? (If more than one, please specify what each is for)

0

Do your employees (if applicable) receive any recycling related training? Yes / No

If yes please indicate the nature of the training: N/A

III - Waste Sort

Using the **Waste Sort Form** on the back of this sheet, please provide your best estimate of the type and quantities of waste generated at your airport location/ airport business.

IV - Please provide any additional information that you would like to share regarding recycling and waste management practices:

The solid waste generated is hauled to our residence and disposed of.

At your earliest convenience, please return your survey via email slucas@whpacific.com or fax 503.526.0775, or in the enclosed self-addressed stamped envelope to WHPacific, Inc., 9755 SW Barnes Rd, Ste 300, Portland, OR 97225

La Grande / Union County Airport Solid Waste Practices Survey

The Master Plan Update for the La Grande / Union County Airport includes a task for developing a recycling and solid waste management plan. The completion of this task requires your help in identifying the current waste generators and recycling practices. Please take a few minutes to complete the following survey and return at your earliest convenience (*return instructions at bottom of page*). Thank you.

Name/Contact for questions: Ron Nash

Phone/Email: 541 962 6274

I - Waste Removal

Please indicate the following about the waste removal company:

Name of Waste Removal Company: None

Telephone Number: _____

Contract (if applicable) Expires On: _____

Removal Schedule: Number of Times _____ Per (day/week/month)
Day(s) of Week/Time(s) _____

Waste Removal Charge: \$ _____ Per (month/year)

II - Recycling Bins and Training

How many trash containers do you have at your location/business? 0

How many of these are recycling containers? (If more than one, please specify what each is for)

Do your employees (if applicable) receive any recycling related training? Yes / No

If yes please indicate the nature of the training: _____

III - Waste Sort

Using the Waste Sort Form on the back of this sheet, please provide your best estimate of the type and quantities of waste generated at your airport location/ airport business.

IV - Please provide any additional information that you would like to share regarding recycling and waste management practices:

No garbage is generated from the current use of this hanger.

At your earliest convenience, please return your survey via email slucas@whpacific.com or fax 503.526.0775, or in the enclosed self-addressed stamped envelope to WHPacific, Inc., 9755 SW Barnes Rd, Ste 300, Portland, OR 97225
