

What is a prepaid postage envelope?

You don't have to find a stamp

With prepaid postage, you no longer have to search for a stamp to mail back your voted ballot.

Beginning this year, all ballots in Oregon will be sent to voters with a prepaid postage return envelope.

How does it work?

If you mail back your voted ballot, the Post Office will charge the State of Oregon for each ballot sent back to an Elections Official.

Only those ballots sent back through the mail will be charged to the State.

What about Drop sites?

Using one of Union County's 8 drop sites is faster, cheaper and more likely to reach us before the deadline.

Search for one near you at:

Postmarks DO NOT count

In Oregon, an Elections Official must have your ballot by 8:00 p.m. on Election Night. If your ballot is still with the Post Office after 8:00 p.m. on Election night **your vote will not count.**

Postmarks DO NOT count for ballots in Oregon!!

*If we have not received your ballot by 8:00 p.m. on Election Night, **your vote will not count.***

Return your ballot
