WHEREAS, the purpose of this Ordinance is to Amend Ordinance 2001-02.

1. Section 3 Permit Fees and Charges is hereby amended as follows:

There shall be a fee of \$100.00 per application. The fee requirement will not apply to entities exempt under ORS 758.010(1).

2. Section 7 is hereby added to the existing ordinance and reads as follows:

Penalty for failure to obtain a permit. Every person shall obtain a permit from the County prior to conducting any work in the ROW. Entities exempt from a permit fee under ORS 758.010(1) are still required to obtain a permit from the County. Failure to obtain a right-of-way permit will result in a fine of \$500 and the County issuing a stop order until the necessary permit has been obtained.

3. Section 8 is hereby added to the existing ordinance and reads as follows:

Utility facilities shall be constructed, installed, operated, repaired and maintained in accordance with all applicable federal, state and local codes, rules and regulations, including the County standards, the National Electrical Code, the National Electrical Safety Code in effect and as may be subsequently amended. When a utility operator, or any person acting on its behalf, does any work in or affecting the ROW, the utility operator shall, at its own expense, promptly restore the ROW as directed by the County consistent with applicable County codes, rules and regulations, and the County standards. A utility provider or other person acting on its behalf must use suitable barricades, flags, flagging attendants, lights, flares or other measure as required for the safety of the general public and to prevent injury or damage to any person(s), vehicle or property by reason of such work in or affecting the ROW or property. If construction activities in the right-of-way cause an existing use or utility to be in conflict, the utility or existing use will be moved at no cost to the County. Any contractor working in the right-of-way must provide proof of adequate insurance to the County prior to initiating work.
