MT. EMILY RECREATION AREA (MERA)
FIREWOOD PERMIT

Permittee's Name: _____ Phone: _____
Address: _____
City: _____ State: _____ Zip: _____

FEE: \$10

LIMIT: 5 Standard Cords

Description of Permit Area: The entire length of the 201 Mainline Road within the Mt. Emily Recreation Area ONLY. A 400 foot corridor has been mechanically treated to create a firebreak along the 201. Utilization of slash piles and associated dead wood is the material intended to be utilized and salvaged for firewood. Remaining slash will be burned early this winter. Please keep piles in tact to allow a clean burn.

Effective Dates of Permit: From October 1, 2021 to November 30, 2021

Conditions of Permit:

1. Only felled trees, dead and down trees, tree tops, and ends resulting from logging operations may be removed for firewood. No cutting standing dead trees.
2. There is a limit of no more than 5 standard cords (4' X 4' X 8') per permit.
3. Permittee indemnifies and holds harmless Union County from any claims, damages or liability resulting from any action or inaction of Union County, it's employees or agents.
4. Permittee agrees to remove any slash from roadways and trails resulting from the removal of firewood.
5. Permittee may remove firewood only within the boundaries of the permit area and shall be liable for trespass and damages for cutting or removal outside the permit area. Permittee may be prosecuted by Union County.
6. This permit shall be in possession of Permittee at all times firewood is being cut or removed from the permit area. Permittee agrees to show permit to any County or State agent.
7. Union County may immediately cancel or revoke this permit by giving oral notice to the Permittee if any of the terms or conditions of permit are violated.
8. Permittee shall maintain all forest roads and trails in their original condition.
9. No mechanical tree skidding equipment allowed.
10. Further provisions: I have read and agree to the above stated terms and conditions.
