Union County Budget Message FY 2022-23

As we near the end of fiscal year 2021-22, we are seeing a reduction in COVID-19 restrictions. This has allowed for a return to in-person operations and meetings. County departments have provided services to citizens continually throughout the pandemic but have done so in various ways to protect employees and citizens. The proposed budget anticipates a further return to in-person services, training, and meetings and includes necessary funding to accommodate these changes.

The proposed Union County budget for fiscal year 2022-23 is presented in the total amount of \$58,240,246. The budget is prepared and presented utilizing the same format and basis of accounting as previous years. All 47 funds are balanced as presented. The proposed budget is approximately 16% higher than last fiscal year primarily due to ARPA funding and additional state and federal grants. The ARPA funding is providing an opportunity to address some deferred infrastructure needs, equipment purchases, and grant match requirements.

The general fund budget totals \$13,123,849 and is the largest of all of the funds providing for the delivery of services by twelve county departments. Primary general fund revenues are property tax (47%) and PILT (payment in lieu of taxes) (9%). Other general fund revenues come from state shared revenues, fees for service, and state and federal grants. The primary purpose of most general fund departments is to provide services; therefore, sixty-eight percent of the general fund budget is allocated for personnel services.

Personnel costs for FY 2022-23 will increase considerably due to increases in the cost of medical insurance and a salary cost of living adjustment (COLA) tied to the Consumer Price Index (CPI) which began climbing in April 2021 and increased steadily since. The proposed budget will maintain the current level of services provided in the current fiscal year; however, two of the four corrections officer positions added in FY 2021-22 have been removed. This is necessary because of the increased cost of personnel and due to the fact that some of the revenue anticipated to support the additional positions did not materialize.

The fiscal year 2022-23 proposed budget has been prepared with the goal of providing the maximum services within the funds available.

Respectfully submitted,

Shelley Burgess

Administrative Officer/Budget Officer

DEPARTMENT: General Revenue

Program Description:

The General Revenue Department reflects the revenue received by the county which provides the majority of the funding for the programs contained in the General Fund. Included in this department are the primary revenues of property taxes, payment in lieu of taxes, interest, and state shared revenue such as liquor and cigarette taxes. These revenues are not specifically tied to any one department within the general fund.

Payment in Lieu of Taxes (PILT) are Federal payments to local government that help offset losses in property taxes due to non-taxable Federal lands within their boundaries. PILT revenue for Fiscal Year 2022-23 is budgeted at \$1,200,000. This figure represents roughly 9 percent of the general fund revenue.

Property tax revenue represents approximately 47 percent of the General Fund revenues. A 3 percent increase in taxes collected is anticipated in this budget. This figure includes taxes to be received due to the anticipated under levy by the La Grande Urban Renewal District (URD), estimated at \$79,730. These funds will not be available in future years unless the URD under levy continues.

The general fund beginning balance is also reflected in this department and this year is projected at \$1,555,000.

DEPARTMENT: Victim Impact Panel

Mission Statement:

- To enhance the emotional healing of victims by offering an outlet to speak of their experience and to believe that telling their story may prevent others from experiencing a similar tragedy;
- To enable attendees to understanding "driving under the influence of intoxicants" from the victim perspective;
- To imprint in the minds of attendees' true stories, told from the heart, which might be recalled when a decision to drink and/or drive under the influence is an option; and
- To impact those convicted of DUII, MIP, Furnishing, etc., how their conduct involving drugs and alcohol can affect people's lives.

Program Description:

This is a volunteer coordinated program under the direction of the Victims Assistance Program Director and the District Attorney. Two Victim Panels are presented annually to educate individuals involved with alcohol and drug crimes. Participants pay a \$35 fee to attend the program. Funds generated from these programs are used to promote victims' issues and to co-sponsor (with Loveland's Funeral Home and three local new car dealerships) the Safe Rides program, which provides designated drivers and transportation at major community events.

DEPARTMENT: Mediation Assessment Fund

Mission Statement:

The mediation assessment fund provides money for services in domestic relations cases involving children. These include mediation (ORS 107.755, mediation orientation and mediation services), parent education (ORS 3.425), child education and evaluations (ORS 104.425 (3), custody and parenting time evaluation panels). These programs supported by the fund are recommended and approved by the Union County Family Law Advisory Committee (ORS 3.434, creation and role of local FLACs).

Program Description:

Revenue for the mediation assessment fund is generated by a filing fee surcharge on domestic relations actions filed in the Union County Circuit Court. The Circuit Court remits these funds to Union County every month. The mediation assessment fund sponsors the following programs and services:

- Domestic Mediation: Program allows parents to mediate custody and parenting time issues.
- Helping Children Cope with Divorce: Parents are mandated to attend this class when a divorce, separation or custody
 case is filed.
- Collaborative Custody Evaluations: These evaluations are done when parties cannot come to an agreement on custody or parenting time through mediation.
- Parent Training: This class is for parents who are having difficulty resolving parenting issues after their separation or divorce.
- Family Law Workshop: This workshop is presented by local attorney Bruce Anderson.
- Training for mediators: Mediators are required to participate in 12 hours of continuing mediation education annually
 including the effects of domestic violence on families and children, the legal rights of victims, cultural competency
 relevant to domestic violence and familiarity with power and control models.
- Evaluations under ORS 107.425: This statute authorizes the judge to order a parent to undergo a psychological evaluation to assist the judge in determining custody or parenting time.
- Child Development Program: This class is for children whose parents are divorcing or separated.

Major Objectives for FY 2022-23:

Domestic Mediation, Helping Children Cope with Divorce, Collaborative Custody Evaluations, Love and Logic, Family Law Workshop, Training for Mediators and Evaluations under ORS 107.425.

DEPARTMENT: Ambulance

Mission Statement:

Support the provision of ambulance services to the citizens of Union County.

Program Description:

This fund initially utilized remaining revenue from an expired air ambulance levy to support ambulance services in Union County. In FY 2009-10 a \$2,000 transfer was made into the fund from Wind Energy Community Service Fees. This was done because the previous revenue had been exhausted. The funds are expended primarily for education under the advice of the Ambulance District Advisory Committee.

DEPARTMENT: Library Project Fund

Mission Statement:

The Union County Library District Feasibility Committee, made up of community leaders, city and library personnel, and library users representing all parts of Union County explored the potential for creation of a Union County library district. The study resulted in a decision not to pursue a vote on formation.

Program Description:

Activities of the demonstration project and committee were funded by grants from the Oregon State Library and Meyer Memorial Trust. Smaller grants for library materials were received from the Collins Foundation and Wildhorse Foundation. The remaining balance of small grant funds and interest earned within the fund are available for library materials.

DEPARTMENT: RAC Maintenance Fund

Mission Statement:

Maintain the Riveria Activity Center building for Emergency response needs and the benefit and use of Union County citizens. Community Connections manages the public use of the facility.

Program Description:

Since Union County took over ownership of the RAC, the building has been under lease to Community Connections of Northeast Oregon who managed its operation and maintenance. A monthly lease fee was paid to Union County and deposited into this fund for major repair needs. The lease expired June 30, 2020 however, Community Connections continued to manage/operate the building on an interim basis.

In 2020, Union County began investing COVID-19 relief funds in the building to make is accessible and usable as a non-congregate housing facility and PPE cache. It has also been utilized as a COVID-19 vaccination clinic site since the vaccinations became available. Because of the change in purpose and primary use, Union County assumed responsibility for maintenance and operation with the exception of facility use and rental for non-emergency uses.

Mission Statement:

The mission of the Union County Treatment Court is to improve the lives of drug and alcohol addicted offenders, increase public safety and decrease public cost by reducing drug related crimes and breaking the cycle of addiction.

Program Description:

The Union County Treatment Court Program is a coordinated effort between the Circuit Court, the Defense Bar, the District Attorney, Community Corrections, Center for Human Development, Grande Ronde Recovery, the Department of Human Services, and local law enforcement to treat and provide services to individuals charged with drug related or drug motivated crimes. The program is currently serving 19county residents and has a capacity of 40 participants. The current staffing level is one employee who works .9 FTE.

Revenue is generated in two ways:

- Drug Court participants pay an entrance fee of \$400. They also make regular payments for drug testing costs at \$8 per week.
- The program is funded by a grant through the Criminal Justice Commission of the State of Oregon.

Major Objectives for FY 2021-22

- Provide comprehensive treatment services for all participants.
- Closely monitor participant progress with frequent and random drug and alcohol testing.
- Require participants gain full time employment or enroll in school full time or a combination of both.
- Require all participants to obtain their GED if they have not already done so and do not have a high school diploma.
- Consistently and rapidly provide positive and negative reinforcement for compliant and noncompliant behaviors.
- Provide Probation Departments with an effective tool to motivate Treatment Court participants who want to successfully deal with their addictions.
- Continue to collaborate and provide a team approach to better serve participants going through the program.

DEPARTMENT: American Rescue Plan Act (ARPA) Fund

Program Description:

This fund was created for the purpose of separately tracking revenue and expenditures associated with the federal American Rescue Plan Act approved in March 2021. Union County has been allocated a total of \$5,204,000 in ARPA funding.

Following adoption of the final guidelines for utilization of funding, the Board of Commissioners designated the full allocation as revenue replacement funding allowing it to be utilized for any general government purpose. Following that action, the Commissioners approved a first round of funding which is detailed on the attached listing. Since many of the projects/expenditures were estimates, funds remain unassigned pending the completion of some of the first-round items. The additional funds will be allocated as some round one expenditures are completed and as further needs are identified and prioritized.

DEPARTMENT: STF

Mission Statement:

Provide quality transportation systems for seniors, persons with disabilities and general public.

Program Description:

Union County receives funding from the Oregon Department of Transportation Public Transit Division for transportation services for seniors and persons with disabilities. These funds are then paid to providers for qualifying services determined through an RFP process under the advice of an STF Advisory Committee. STF funds are generated from the state cigarette tax revenue and are allocated to the county based on population.

Special Transportation Grants (STG) – 5310 Funds are competitive grant funds allocated by the State based on applications. Union County sponsors the grants, accepts the funds, provides quarterly reports and distributes the funds based on approved projects. Union County monitors the sub-recipient for compliance with program requirements.

The Statewide Transportation Improvement Fund (STIF) grant funds are the result of the transportation legislation passed by the Oregon Legislature. These funds are received by the county and passed through to providers based on a locally developed service plan. The STIF Advisory Committee participates in the planning process. Plans are approved by the Board of Commissioners prior to submission to the state. Community Connection of Northeast Oregon is the current contracted transportation provider.

DEPARTMENT: Wind Project Fund

Program Description:

Budget for receipt and expenditure of Community Service Fees from the wind energy projects developed in Union County.

Revenues:

Revenues in the form of Community Service Fees (CSF) are currently being received from Telocaset Wind Partners for the Elkhorn Wind Project. The CSF payments began in FY 2008-09, decrease each year, and will expire completely in FY 2023-24 (15 years). Funds are also being received from the State of Oregon as shared revenues from the income taxes generated from the project's employment.

Expenditures:

A portion of both the Community Service Fees and the state shared revenues are distributed to taxing districts within the project area as outlined in the Strategic Investment Program (SIP) Agreement that was developed when the project was implemented.

The remainder of the funds are budgeted for expenditure based on identified needs. Because of the yearly reduction in revenues and eventual expiration, these funds have typically been used to support capital purchases, one-time expenses, or in areas where replacement revenue is anticipated.

The fiscal year 2022-23 expenditures include a transfer to the Sheriff Department to support vehicle lease payments, and a transfer to Buffalo Peak Golf Course in support of debt service.

DEPARTMENT: Bicycle Path/Project Fund

Bicycle Path:

One percent of gas tax is dedicated to providing walkways and bikeways within the right-of-way of public roads. The amount of revenue received for this purpose annually is approximately \$20,000. Because of the cost of improvements, funds are accumulated in case cost share or grant matches are available to complete projects.

Project Fund – EOCA:

Union County serves as the fiscal agent for the Eastern Oregon Counties Association (EOCA). Funds are received from the participating counties and spent in accordance with approval of the members. Current programs include PILT renewal efforts and Forest Planning participation. The EOCA is staffed by a part-time Coordinator funded by dues from the association.
