

We want to hear from you!

We are currently designing a project to improve safety on Morgan Lake Road in La Grande.

Morgan Lake Road serves residents and provides the only public access to Morgan Lake. There are a number of safety concerns that we will address to make this road safer.

Online open house:

Visit our online open house by June 30, 2023.

- Learn about the project.
- Find out how construction may impact you.
- Share your comments or ask questions.

Go to <https://odotopenhouse.org/> and search for Morgan Lake Road or scan the QR code.

Questions?

If you need help accessing the online open house, please contact:
