I am running for the citizens of Union County, I would like to help provide them with the best government we can. I have been a resident of Union County for over 45 years. The agricultural, industrial, educational, health care and, natural resource industries provde an economic base that has been established here for many generations. They are vital and need to be protected and enhanced. County Government is very important to these entities but, the services government provides to all the citizens is the foremost priority and I would like the opportunity to serve all of the citizens of Union County.
