Union County is the epicenter of Northeastern Oregon, with it's abundant natural resources, can sustain a viable community. I will do my best to represent our county, in which we all can prosper and grow current services, to provide safety and security. Agriculture is the backbone and foundation of any economy. The exchange of the dollar from many hands in a community is crucial for this economy, as all of us are reliant to capital brought in through tourism opportunities and strength in goods and products manufactured here. I will be a voice on behalf of this community we live in.
